Gree USA was founded in Los Angeles.

2011

Set up first R290 air condiontioners assembly line.

Management

"An enterprise without innovation is as a person without soul; an enterprise without competitive product is uncompetitive too; an enterprise without core technology is as a person without backbone and when one has no backbone, he will never be able to stand up."

Chairman of Board – Zhu Jianghong

“Created in China” is an historic mission borne by Chinese enterprises, which gathers us and leads us to march on the way to “Created in China”. We practice this principle in action, guiding more enterprises to be creative.

President – Dong Mingzhu
